Financial Chair

Hu Chen (JSNU)

As an annual conference, CSQRWC offers an active forum for exchanging creative ideas and experiences of the latest developments, designs in the areas of Radio Science and Wireless Technology for professors, researchers, engineers and students from Cross Strait Quad-Region of China and all over the world. CSQRWC2018 will be held in Jiangsu Normal University, Xuzhou, China.

Important Dates

Deadline of Paper Submission: **April 5, 2018**

Notification of Acceptance: **April 20, 2018**

Paper Submission Guideline

The recommended paper length is two pages, with three pages as a maximum. Related information is available in the conference website. Conference content will be submitted for inclusion into **IEEE Xplore** as well as other Abstracting and Indexing (A&I) databases. Applied Computational Electromagnetic Society (ACES) is announcing a **Special Issue in ACES Journal** for the extended papers.

Technical Subject Categories

Computational Electromagnetic Methods
Electromagnetic Theory and Propagation
Scattering Diffraction and Inverse Scattering
4G/5G Wireless or Mobile Systems
Micro and Millimeter Wave Measurement Technique
Microwave Remote Sensing
Photonics
Metamaterials
Plasmonics
Antenna Theory and Technique
Microwave / Millimeter Circuits and Devices
EMI/EMC
RFID Systems
Imaging and Signal Processing
Bio-electromagnetics
Mobile Network and Internet
Internet of Things
Internet and Computer Applications
Wireless Access
Sensor Networks
Radar Systems
Others
